

MIND *Over* LEARNING

Make-up Tutoring Sessions

Make-up Session Calendar!

This self-booking Make-up Session calendar gives you more flexibility to reschedule sessions.

Make-up sessions are banked when you cancel a tutoring session with 24hrs business days' notice. Your make-up sessions only expire three months after your final day at Mind Over Learning. If you re-register in the fall they will carry over to the new school year. You will also be able to use them in the summer.

How to book?

1. Click on one of the tutor names (the link goes to their booking calendar).
 2. View the calendar to see available dates (if the date is crossed out it is not available).
 3. All students must book make-up sessions with their enrolled program and session location.
 4. Virtual learners must write "VIRTUAL" when booking (virtual sessions will use the student's assigned Google Meet link).
 5. You will receive a confirmation email immediately, and a reminder email 1 hour before your make-up session.
