Pay-As-You-Go (PAYG) Tutoring Sessions

Self-Booking Calendar!

This self-booking calendar for **Pay-As-You-Go (PAYG)** tutoring sessions gives you more flexibility to schedule sessions.

Note: Our recommendation is that the average student attends two sessions per week. This is especially important when you start a new program. Virtual learners must have the required equipment, materials and questionnaire completed.

How to book?

1. Click on one of the tutor names (the link goes to their PAYG booking calendar).
 2. View the calendar to see available dates (if the date is crossed out it is not available).
 3. All students must book PAYG sessions with their enrolled program and session location.
 4. Virtual learners must write "VIRTUAL" when booking (virtual sessions will use the student's assigned Google Meet link).
 5. You will receive a confirmation email immediately, and a reminder email 1 hour before your make-up session.
 6. You will be invoiced after booking.
